画卷中的黄山

多维黄山/

Multi dimensional Huangshan/Huangshan in Paintings

新安大好山水，黄山、冬雪等，历来多为画家素材，尤其在明清时期，新安画派更是将黄山之景，描绘得淋漓尽致。黄山，被誉为“中国山水画之冠”，其奇松、怪石、云海、温泉四绝，更是吸引了无数画家前来创作。黄山，不仅是一处风景名胜，更是一幅巨大的画卷，等待着人们去发现和欣赏。

Beautiful landscape of Xin'an, Huangshan, winter snow, etc., have been a source of inspiration for painters for a long time, especially in the Ming and Qing dynasties, the Xin'an School of Painting has depicted the scenery of Huangshan in a vivid and lifelike manner. Huangshan, known as the "Crown of Chinese landscape painting", its four wonders: strange rocks, weird pine trees, sea of clouds, and hot springs, have attracted countless painters to come and create. Huangshan is not only a scenic spot, but also a huge scroll painting, waiting for people to discover and appreciate.
